

**CDM Policy Dialogue: Informal meetings
at the Navigating the American Carbon World (NACW) conference in San Francisco, USA**

Date and time:	10 April 2012 - 12 April 2012
Location:	Navigating the American Carbon World (NACW) conference, San Francisco, CA, USA
Panel member(s):	Coordinated by Maggie Fox
Senior expert advisor(s):	Samuel Grausz, alternate SEA to Maggie Fox
Participants:	A broad cross-section of stakeholders in the North American and other carbon markets including project developers, financiers and verifiers, credit purchasers, and regulators. For more information, see http://nacw2012.com/ .
Issues discussed:	Level of engagement with the CDM and the CDM PD, historical impact of the CDM, CDM outreach to NGO stakeholders, emissions impact of the CDM, options for reforming the CDM and CDM EB, emerging offset markets and potential relationships with the CDM, integrating REDD into the CDM, and new sources of demand for CERs.
