

**CDM Policy Dialogue: Meeting with project developers
in Beijing, China**

Date and time:	16 May 2012, 2:15-3:00pm
Location:	Beijing, China
Panel member(s):	
Senior expert advisor(s):	Margaret Lo
Participants:	Dr Tang Renhu, General Manager, SinoCarbon Innovation & Investment Co., Ltd
Issues discussed:	Impacts of CDM in China (sustainable development, awareness on carbon value, template for China market); economic incentives (issuance of carbon credits, financing options) and risk perception for project developers; operational processes of CDM (methodologies, project types, regional coverage); the future of CDM (scaling-up, integration with other market mechanisms)
