

**CDM Policy Dialogue: Meeting with African stakeholders
in Johannesburg, South Africa**

Date and time:	4 June 2012, 08:30-17:00
Location:	Crown Plaza Hotel, Rosebank, Johannesburg, South Africa
Panel member(s):	Mohammed Valli Moosa and Margaret Mukahanana
Senior expert advisor(s):	Crispian Olver and Njogu Morgan
Participants:	About 30 participants from across the African continent involved in carbon investment firms, project developers, civil society organizations, intergovernmental organizations, and Designated National Authorities.
Issues discussed:	Geographical distribution of CDM projects in Africa and possible measures to correct this, the impact of international negotiations on carbon markets, the role of offsetting in climate mitigation, monitoring sustainable development impact of projects, capacity building of DNAs, and future of CDM in the context of other emerging market mechanisms.
